

URBANA HIGHLANDS HOA
SIDEWALK AND STORM
DRAIN REPAIRS May 17-25

The Board of Directors has contracted with Concrete Jack to complete sidewalk and storm drain repairs in areas that are the responsibility of the Association. (Please keep in mind that many of the homes within our community that are single family and single family attached are responsible for the maintenance and repair of the sidewalks adjacent to their homes).

Parking spaces within the areas indicated below will be unavailable on the specified day between the hours of 8:00am - 5:00pm. Please look for yard signs to be placed out two days prior to the date the area will be serviced (Signs will identify the No Parking Date). Once the Concrete Jack onsite repair team completes the work in an area, they will turn the sign around and the message will state "Completed" Once the yard sign facing the parking spaces states "Completed" you may return your vehicle to your parking space.

ALL vehicles parked adjacent to the sidewalks **must be moved on the date identified by the yard sign closest to your space by 8:00am.** The contractor requires that vehicles be moved **at least ten feet (10')** from the work area. Vehicles may be parked in other parking spaces (Please observe any parking restrictions) away from the sidewalks and in areas that are not currently designated for repair on that date. (Please do not park in your neighbors assigned parking space without prior authorization from your neighbor).

The Association and or Concrete Jack will not be responsible for ANY VEHICLES NOT MOVED DURING THE TIME ALLOCATED FOR NO PARKING.

We apologize for any inconvenience this may cause, but it is imperative that these repairs be made in a timely manner for the safety of residents and guests.

In the case of inclement weather, the schedule will be pushed to the next day; weather permitting. We will do our best to update the yard signs with any date changes as soon as possible.

SCHEDULE: Closest Address to Repair Site

Monday 5/17 – (Please move your vehicle by 10:30 AM instead of 8:00 AM)

9501, 9503, 9507, 9511, 9515, 9523, 9525, 9529, 9533
